

# paint pop art

## what you need:

washable tempera paint  
dixie cups  
craft sticks  
canvas or roll paper  
aluminum foil

## how to make:

1. place paint into dixie cups .
2. cover with foil.
3. pierce the middle of the foil with a craft stick.
4. freeze paint overnight.
5. tear cup from paint.
6. paint on roll of paper or large pieces of canvas.
7. let dry.
8. admire.

### note:

can be made with acrylic paint. if so, dilute the acrylic with equal amount of water to paint then add to cups and freeze. this works great on pre-stretched canvas.
